2. WORK INSTRUCTIONS	2
2.1. Open the GPA Calculator System	2
2.2. Simulate GPA	3

1. PROCESS FLOW

1.1. GPA Calculator System

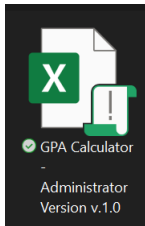

2. WORK INSTRUCTIONS

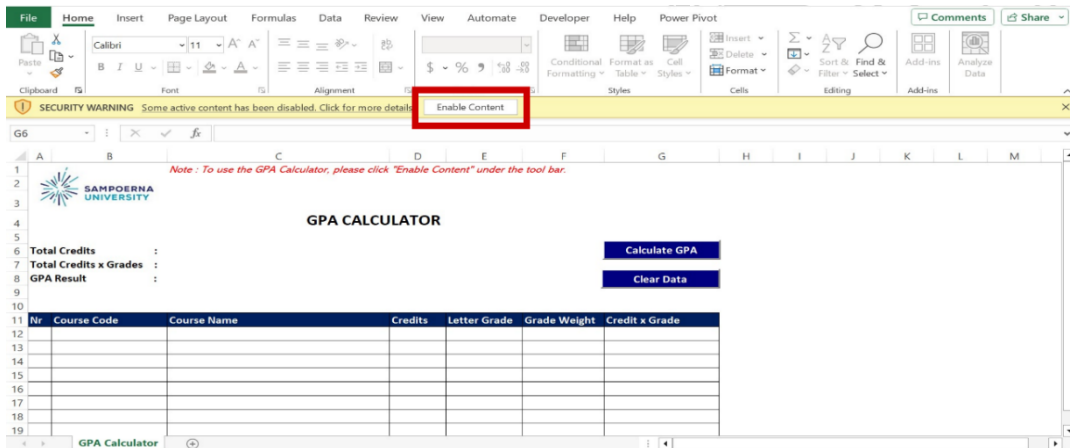

2.1. Open the GPA Calculator System

Below is the step to open the GPA Calculator System:

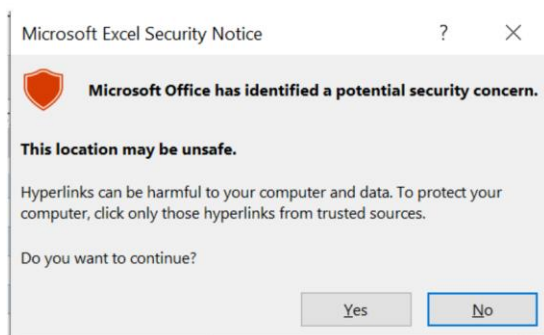

1. Open the GPA Calculator System file (.xslm) from your email attachment or downloaded from SU portal.

2. Click **“Enable Content”** to allow the system to run for first the time.

If you see a pop-up message from excel security, click **“Yes”** to allow the system to run.

2.2. Simulate GPA

1. Click the “Calculate GPA” button to simulate the GPA.

Note : To use the GPA Calculator for the first time, please click "Enable Content" under the tool bar.

3. Enter the course name you'd like to simulate by:
 - a. Typing the course name; **or**
 - b. Clicking the drop-down menu arrow on the right end of the Course Name box.
 (the course code and credits will be automatically filled out once the course name is selected)

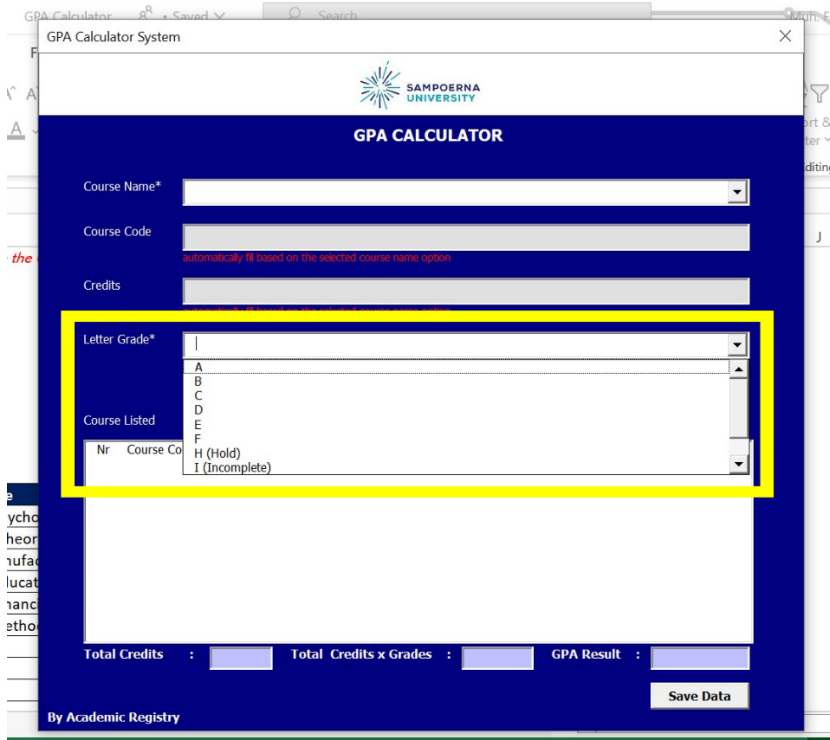

The screenshot shows the 'GPA CALCULATOR' window with the 'Course Name*' dropdown menu open. The dropdown list contains the following options: Accounting Information System and Internal Control, Accounting theory, Additive Manufacturing, Advanced Educational Technology, Advanced English Skills, Advanced Financial Accounting, Advanced Financial Accounting I, and Advanced Financial Accounting II. The 'Accounting Information System and Internal Control' option is selected. Below the dropdown, the 'Course Code' and 'Credits' fields are empty. The 'Letter Grade*' dropdown is also empty. The 'Delete', 'Reset', 'Update', and 'Add' buttons are visible. The 'Course Listed' table is empty. The 'Total Credits', 'Total Credits x Grades', and 'GPA Result' fields are empty. The 'Save Data' button is at the bottom right.

The screenshot shows the 'GPA CALCULATOR' window with the 'Course Name*' dropdown menu open. The dropdown list contains the following options: Accounting Information System and Internal Control, Accounting theory, Additive Manufacturing, Advanced Educational Technology, Advanced English Skills, Advanced Financial Accounting, Advanced Financial Accounting I, and Advanced Financial Accounting II. The 'Accounting Information System and Internal Control' option is selected. Below the dropdown, the 'Course Code' field is filled with 'ACCT3406' and the 'Credits' field is filled with '4'. The 'Letter Grade*' dropdown is empty. The 'Delete', 'Reset', 'Update', and 'Add' buttons are visible. The 'Course Listed' table is empty. The 'Total Credits', 'Total Credits x Grades', and 'GPA Result' fields are empty. The 'Save Data' button is at the bottom right.

4. Select the letter grade you wish to calculate.
